

## SIGNING UP FOR AT&T AUTOMATIC BILL PAYMENT IS SIMPLE.

AT&T Automatic Bill Payment is the easiest way to pay your AT&T bill. Each month, your payment is automatically deducted from your checking account, or charged to your credit card account. It's easy, convenient and saves time, too.

### CHOOSE FROM 3 EASY WAYS TO PAY.

- **Checking Account** — set up payment through your checking account by simply printing and completing the form below and returning the form with a blank, voided personal check from your designated account for verification and mailing to the address listed on the application.
- **Credit Card Payment** — pay by credit card by printing and completing the application below with your Mastercard, Visa or other major credit card information and mailing to the address listed on the application.
- **AT&T Online Billing** — sign up for AT&T Online Billing and receive your bill online and enjoy the control and flexibility of online billing. Just go to [www.att.com/go-online](http://www.att.com/go-online) and sign up for AT&T Online Billing. There you can select automatic payment through your checking or credit card account.

Please allow 2 billing periods for processing your application. Continue to mail your payment as usual until you see "Automatic Pay" printed in the "Amount Enclosed" space on your AT&T statement. Whether you choose to pay by bank account or credit card you'll receive your AT&T statement listing your AT&T charges along with the scheduled date your account will be charged. You'll have about 10 days to review your statement and to call us with questions. Then, each month you'll see your AT&T payment reflected on your bank or credit card account statement. It's that simple.
